INSTRUCTIONS: *Please review* the information on the **COUNTRY INFORMATION & EXPENSES** form, *before* completing this form. Certain countries insist on Inbound Students purchasing a Health & Accident insurance policy issued in that particular country. Other countries have specific language prerequisites. Once you have ensured that you can meet these requirements, **indicate your ten (10) preferences** by numbering them 1 – 10, with 1 being your first choice. Place a **Y** after each country you would consider going to, and an **N** after each of those countries you would not be willing to go to. The numbers in brackets beside the country name indicate approximately how many students will be sent to that country based on approximately 104 Outbounds for Ohio-Erie.

Discuss this information with your parents and sign at the bottom. Bring this completed form with you to the District interviews and leave it with the Outbound Chairperson.

I, _____, after careful consideration of the areas available for youth exchange, have indicated my ten preferences for placement in a foreign country. I understand that I could be placed in any one of these 10 countries and **I am willing to go to any of them**. I also understand that **I may not get any of the ones selected above**, in which case Ohio-Erie and my District will work with me to find an alternative placement. My parents also agree to allow me to go to any one of these countries chosen above, and they understand that this form is not a guarantee of placement in my top ten choices in any way. They agree to work with Ohio-Erie and my Rotary District to find and acceptable alternative if necessary.
